

A.B.E. Printing & Copy Center, Peter DeFillipo

Peter DeFillipo has been incredibly gracious and supportive to the community during this pandemic. His company A.B.E. Printing & Copy Center has provided many reduced cost and free printing services to businesses affected by the pandemic, including signs and to-go menus for hard hit local restaurants. He has quietly distributed checks and cash to local people in need, in particular his employees, ensuring financial stability and job security. Peter has donated \$1000 each to local non-profits and organizations including Tahoe Douglas Elks, Kiwanis Club of Carson Valley, the Kids Fishing Derby, the Carson Valley Lions and the Douglas County Historical Society. We are extremely grateful for the contributions Peter has made to the community and want to acknowledge his generous spirit.

Congratulations Peter DeFillipo and A.B.E. Printing & Copy Center!
